OTISFIELD.

Mrs. Susan J. Walls. Woodford, Feb. 17: The death of Mrs. Susan J., widow Thomas Walls, late of Biddeford, occurred at the home of her daughter, Mrs. E. M. Johnson, on Feb. 10th.

Although 86 years of age, Mrs. Walls was a woman of naturally bright and energetic temperament. She bore her share in the work of the household until two days before her death, and never was content to be idle.

She was always ready with a kind word and proffer of service. Indeed her concern was with the pleasure of others rather than with her own comfort at all times, and she was deeply beloved not only by the members of her immediate family, but by all with whom she came in contact.

Mrs. Walls was born in Otisfield, but spent a greater part of her life in Biddeford, but for several years has been with her daughter at Woodford.

Besides her daughter, only one of nine children left, she is survived by two sisters, Mrs. A. M. Gordon, Woodford and Mrs. Julia Welch, Saco, two grand-children and one great grandchild. Funeral took place Thursday afternoon at Woodford. Interment at Greenwood cemetery at Biddeford.

Mrs. Arthur Smith has been visiting relatives in Norway.

Marguerite Smith visited friends in Harrison, recently.

Verna Lombard is doing housework for Mrs. Jane Scribner.

Mrs. Elta Warren is at work in Harrison for Mrs. Frank Wood.

Gladys Meriman of South Portland visited Mrs. Sumner Smith, recently.

Will some reader of the Advertiser please send a receipt to make hens lay?

WATERFORD.

F. H. Morse attended the meeting of fruit growers in Lewiston.

Frank Morgan and Percy Kimball were in Lewiston last week, Wednesday.

Rev. G. W. Sias and Mary Morse attended the meeting of the Sunday school Union at Harrison, last Thursday.

Regular meeting of Mt. Tirim Lodge, Tuesday evening, Mar. 10. Keoka Chapter, O. E. S., meets Friday evening, Mar. 13th.

Rev. G. W. Sias will preach next Sunday the second in a series of Lenten sermons, the topic being "Among Beasts and Angels." The topic last Sunday was "Answering God's Challenge." Service at Waterford at 10.30 p. m., East Waterford at 2.30 p. m.

The brook became clogged with ice at the bridge near Dr. Stimpson's, early Monday morning, and flowed through E. L. Stone's yard and the Brown field. The water backed up in the cellar of the Lake House and put the electric lighting plant out of commission. The streets were filled with slush from three inches to a foot in depth. Despite the unfavorable conditions about 150 citizens gathered at the annual town meeting, among them being Philo Goodwin, who bore testimony to the cause given by the Boston Post to the oldest man in town, Mr. Goodwin being 86 last August.

WEST SUMMER.

Mrs. Rodney Chandler is confined to the house with a bad cold.

Albert Cox, who has been very ill with pneumonia, is much better.

Clinton Bisbee has returned from Boston, where he has been on a business trip.

Relatives and friends of Elva Bonney were pleased to receive a call from her, Thursday.

Little John, who represents the firm of Edwards & Walker, Portland, was in town, Saturday.

Mr. and Mrs. Sydney Jordan, who have been keeping camp for Mr. Davis on Swift river, have returned to their home.

The Snow Bound Reading Club was pleasantly entertained by Mrs. Herbert Barrows, Thursday, Mar. 5th. The topic for the afternoon was Napoleon.

The citizens are rejoicing to learn that the town has voted to purchase an iron bridge to replace what is known as the Proctor Bridge across the West branch of the Nezinecot river.

NORWAY AND VICINITY

The Minute Men.

Judge Morrill N. Packard of Baltimore, Md., who visits Norway nearly every summer, spoke before the Maryland Society, Sons of the American Revolution, at Washington's birthday. He spoke on "The Minute Men" of the Revolution.

"In a broader view the minute men of that Revolution consisted of all those patriots enlisted in the cause of the fathers, who contended, whether in the military establishment or in the field of civil endeavor, who were ready on the moment to serve the cause in any emergency in varied capacities."

"They were those who kept the vigil of the ages in that twilight hour of humanity's golden opportunity for free institutions and people's government. In the fuller light of the oncoming day when patriots, under the inspiring touch of their genius and examples, were fighting for victory, the right to stand erect in the full stature of civic manhood they first saw the outlines of colossal achievement for their country and the human race in the making."

Albert F. Canwell has a Rhode Island Red pullet which is less than a year old that laid an egg measuring 8 1/4 x 3 1/2 inches.

Mrs. Nellie Goodwin was hostess for the Veranda Club meeting which was held at her home on Wednesday afternoon, Feb. 25. There was a good attendance. The first part of the afternoon was spent in social conversation, and each member busy with her own work. The hour for the business meeting came all too soon. At 3 o'clock the Vice Pres., Mrs. Addie Hill, called the meeting to order. The business meetings are always opened with the Lord's Prayer followed by a beautiful "Club Ode," which was composed by one of the members. Usually good ideas of charity work are brought up in the meetings and when a worthy call is urged it is always considered by all interested members. Club voted to meet with the Vice Pres., Addie Hill, Thursday Mar. 12. The hostess served sandwiches, assorted cake, doughnuts and cocoa. She was assisted by Mrs. Susie Wentzle and Mrs. Alice Everett.

HAVE PRETTY HAIR

Thick, Soft, Fluffy, and no Dandruff—Use Parlsan Sage.

If your hair is losing its natural color, coming out and splitting, or lacks that enviable softness, gloss and beauty, do not despair—pretty hair is largely a matter of care. If it is too thin, make it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off. Freshen up the scalp with Parlsan Sage—all dandruff disappears, falling hair and itching head cease, your hair is doubly beautiful.

Parlsan Sage, sold by Noyes Drug Store and at all drug counters, is just what you need—a large bottle costs but 50 cents. It surely makes the hair lustrous and seem twice as abundant. You cannot be disappointed in Parlsan Sage.

Birthday Greeting to Mr. and Mrs. E. C. Wentworth.

Birthday greetings, message tendered. Bring me your dear friends tonight, while our loving thoughts repeat for years so quick to take their flight.

The threshold, Father Time has crossed, and with it the new year has begun. In which, by joy or sorrow tossed, You've shared our hopes and dried our tears.

To help and strengthen on our way; And thinking if your duty thus, You've made us best yet could be.

Your longing for our greatest good, We've felt; your hearts well knew our need. Lending us the best you could.

You've helped by word, as well as deed. In faithful service, years you've spent, Pastor kind and loving wife, These years to you were lent.

To lead a happy Christian life. Joy left in your home has treasure, While our loving thoughts repeat for years so quick to take their flight.

Our Father died the years that started, With this sweet thought, "We'll meet again!"

The legacy your son has left you is his children good and fair, And the music sweet of their voices true.

Prove the treasures you have there. The daughter is savoring your home to share, And cherishes her heart on their way.

"Is thus our Father doth declare He knows our hearts' needs, day by day, And as the years pass on, we'll be true As in our loving service dear."

Whom best you've known, most truly felt Your joy to see the Master's.

Now may the year that still may come, Bring deepest peace and purest joy; Your peace your home, your family home, Be smoothed from all that will annoy.

And when the summons comes at last, To the Father's home, we'll be true, "We'll be well done, thy labor's past, Enter thy home I didst prepare."

Wait Paint.

There are painters and waiters. Which am I going to do? Paint or wait?

Which is better?

How much am I worth with my property waiting? How much if I paint? Will my house be worth more or less if I paint?

Say it costs \$2 gallon Devco—I would not paint any other—\$3 or \$4 more for putting it on. That's \$50 or \$60 a 10-gallon job.

The money is gone. Is it in the house? Is it all in the house?

Suppose I were selling; what should I get for that house fresh-painted and what should I get for it needing paint?

I wonder why men paint before selling!

LESS DYSPEPSIA NOW

HERE'S THE REASON

The fact that there is less dyspepsia and indigestion in this community than there used to be is largely, we believe, due to the extensive use of Rexall Dyspepsia Tablets, hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk.

Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe the inflamed stomach, allay pain, check heart burn and distress, help to digest the food, and tend to quickly restore the stomach to its natural, comfortable, healthy state.

There is no need to doubt our guarantee. It means just what it says. We'll ask you no questions. Your word is enough for us. If Rexall Dyspepsia Tablets don't restore your stomach to health and make your digestion easy and comfortable, we want you to come back for your money. They are sold only at the 1,000 Rexall Stores, and in this town only by us. Three sizes, 25c, 50c and \$1.00.—F. P. Stone, 143 Main St., Norway, Me.

Putting Tobacco in Tins is Like "Locking the Stable Door"

—"after the horse is gone." Because when tobacco is chopped into small pieces, much of the flavor evaporates before the tobacco goes into the tin.

There is only *one* way to keep all the natural fragrance and original flavor in tobacco until it reaches your pipe—and that is the hard-pressed Sickle plug. And the *natural leaf wrapper* is a better protector than any tin, tinfoil or waxed paper.

You always get a fragrant, *slow-burning*, *cool* smoke from Sickle, because you slice it off the plug as you use it. You get *more* tobacco, because there's no package to pay for. There's no tobacco wasted—and the *last* pipeful is as fresh and sweet as the *first*. Smoke Sickle today—all good dealers sell it.

HAD CATARRH FIVE YEARS.

Mr. Johnson of St. Elmo, Illinois, was troubled five years with catarrh. The catarrh was so severe in his case that his life seemed threatened. As he expresses it himself, he had "one foot in the grave."

Of course he tried to get relief. Many practitioners were consulted and a catarrh specialist in St. Louis was tried. He got so weak and thoroughly run down that he could not walk more than a hundred yards without resting.

Few people understand that catarrh is a constant drain on the system. The discharge of mucus which is going on in such cases is largely composed of blood serum, and is a great waste. Sooner or later it will weaken the strongest man.

According to reports received from Mr. Johnson, he was in a desperate condition, but he found relief from his trouble. We will let him say how he found it. His own words say:

"My friends told me to take Peruna, and I did so. I now feel that Peruna has saved my life. It is the best medicine on earth, and I would not be without it."

This seems almost too good to be true. No doubt there are some readers who will think so. The above statements, however, can be verified by writing Mr. Johnson.

Every home should be provided with the last edition of "The Ills of Life," sent free by the Peruna Co., Columbus, Ohio.

There is more Catarrh in this section of the country than all other diseases put together, and the last few years was supposed to be the last. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and the mucous surfaces of the system. It cures catarrh in a few days and cures it for ever. Send for circulars and address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c.

**LOCAL WOMAN NOW
A BIG ADVERTISER**

When one of our woman customers recently bought five bottles of Harmony Hair Beautifier to give to her friends for Christmas, she started all by herself a mighty big advertising campaign, because not only does each one of the women to whom she gave a bottle of the Beautifier now consider it indispensable for the proper care of the hair, but each of them has been the means of getting several of her friends to use it. As a consequence, if things keep on in this way for a few months longer, we will be selling more of it than of all other hair preparations combined. Sprinkle a little Harmony Hair Beautifier on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few minutes. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd shapes, very ornamental bottles, with spritzing tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.—F. P. Stone, 143 Main St., Norway, Me.
